THE MOTOR CYCLE

FOUNDED 1903 · LARGEST NET SALE IN THE WORLD

THREE MATCHLESS "650's"

—the G12, G12 de Luxe and the incomparable G12CSR—still the only standard fully equipped motorcycle ever to have covered over 100 miles in one hour.

Model G12 £212 : 4 : 7 Inc. £43 : 15 : 5 P.T.
Model G12 £221 : 6 : 11 Inc. £45 : 13 : 1 P.T.
DE LUXE
Model G12CSR £232 : 2 : 6 Inc. £47 : 17 : 6 P.T.

The power plant was devastatingly magnificent, totally vibration free, sounding like a high-speed turbine and feeling like one. The gearbox, clutch, control layout, anchors—everything was earning plaudits by the bucketful. Not a drop of oil was used and not the slightest trace appeared externally.
